Dear Mr. Warr:

Re: Amended Notice of Intention to Commence Small Mining Operations, Yankee Project, S/049/0 22, Utah County, Utah

Thank you for your amended Notice of Intention to Commence Small Mining Operations, received by the Division on August 21, 1992. The amendment requested for the Yankee project, located in the SE/4 of the NW/4 of Section 20, T3S, R3E, SLBM, is deficient.

The Division requires additional information before variances will be granted, specifically, a description of the area affected by each variance request. A map of the site with the affected area(s) indicated may satisfy this requirement.

Thank you for your cooperation. Please contact me if you have any questions regarding this letter.

Sincerely,

Anthony A. Gallegos
Reclamation Engineer
